

Math 313-01, Homework for Quiz # 12

(1 – 8) ## 6, 16 – 19, 21 – 23 from section 7.8 of the text. Since we did not have time to cover the relevant material on Wednesday in virtue of answering questions, please study the material relevant to continuous joint distributions in sections **7.1 and 7.2** to work on the problems in the section 7.8. We will still cover the material on Friday, but you need to read the sections to work on the homework problems.
